

# January – March 2022 RSP Ranking

- Ranking is based on wholesale revenue from purchases through the SLGA Distribution Centre and Third Party Distributors (i.e. BDL or Sleeman).
- Does not include purchases from self-distributing suppliers.
- RSP names are sorted alphabetically within each grouping.

| Top 10 Percentage of Sales: 19.8% |                                    |                        |               | Top 51-60 Percentage of Sales: 5.0% |   |                          |               |

## January – March 2022 RSP Ranking

- Ranking is based on wholesale revenue from purchases through the SLGA Distribution Centre and Third Party Distributors (i.e. BDL or Sleeman).
- Does not include purchases from self-distributing suppliers.
- RSP names are sorted alphabetically within each grouping.

| Top 101-125 Percentage of Sales: 5.8% |                                     |                          |                   | Top 151-175 Percentage of Sales: 3.4% |                                       |                          |               |

## January – March 2022 RSP Ranking

- Ranking is based on wholesale revenue from purchases through the SLGA Distribution Centre and Third Party Distributors (i.e. BDL or Sleeman).
- Does not include purchases from self-distributing suppliers.
- RSP names are sorted alphabetically within each grouping.

| Top 201-250               |  |                          |                  | Top 251-300               |                                     |                        |                      |

## January – March 2022 RSP Ranking

- Ranking is based on wholesale revenue from purchases through the SLGA Distribution Centre and Third Party Distributors (i.e. BDL or Sleeman).
- Does not include purchases from self-distributing suppliers.
- RSP names are sorted alphabetically within each grouping.

| Top 301-350 Percentage of Sales: 1.9% |   |                        |                  | Top 351-400 Percentage of Sales: 1.3% |                                       |                        |                 |

## January – March 2022 RSP Ranking

- Ranking is based on wholesale revenue from purchases through the SLGA Distribution Centre and Third Party Distributors (i.e. BDL or Sleeman).
- Does not include purchases from self-distributing suppliers.
- RSP names are sorted alphabetically within each grouping.

| Top 401-450               |                                       |                        |                   | Top 451-500               |                                      |                        |               |

## January – March 2022 RSP Ranking

- Ranking is based on wholesale revenue from purchases through the SLGA Distribution Centre and Third Party Distributors (i.e. BDL or Sleeman).
- Does not include purchases from self-distributing suppliers.
- RSP names are sorted alphabetically within each grouping.

| Top 501-550               |                                     |                        |                      |
