

ELECTRONIC BILLING (EBILL) REGISTRATION

The eBill registration form enables you to view your account balance, payments and invoices online. Once this form is completed and returned to the Saskatchewan Liquor and Gaming Authority (SLGA) Head Office, you will receive an email invite to the eBill portal.

When an invoice is generated, you will receive an e-mail with an attached invoice to view. The Primary email address will be the recipient of email notification of invoices issued on account. If the customer pays by Direct Debit (PAD), the Primary email will be the recipient of the email notification that payment has been taken from their bank account.

Any further questions relating to EBILL may be directed to the SLGA Billing Co-ordinator at ebill@slga.com.
